DEDICATION

On July 1 of this year our beloved Dr. Thompson lays down his burden of office. For 35 years he has toiled, served and built in this institution. During that time his enthusiasm for the vital and worthwhile things of life, his alert scholarship, his keen sense of humor, his perspective of values and his deep sympathy for and understanding of the problems and difficulties of youth, have endeared him to thousands of boys and girls, men and women, who have come under his influence throughout these years. To attempt to express fully the deep feelings of affection for the Doctor would be futile. So, in dedicating this annual, may we, on behalf of the entire High School community, past and present, simply invoke upon Dr. Thompson the benediction of a continued good life blest with the deep satisfaction of a great work well done. May the Lord bless and keep you.

Song of Tribute

TO DR. GEORGE C. THOMPSON

Our affection, through all the years that follow,
Our devotion will steadfast remain;
In the role of leader you gave us inspiration,
You taught us that honor must be without stain.
Blessings on you, wherever life may beckon,
Health attend you, as flow on the years;
When farewells are spoken, bravery is the custom,
So, heads up, we're smiling to keep back our tears.
In our recollections, your faith in us will shine,
Then, as now, we'll cherish your love,
Let us, pledging friendship, our loyalties combine,
Our school colors must fly above!

Words by Franklin Cummings to
fit music composed by John Kenny.

Dr. Thompson's Pages

"The fault, dear Brutus, lies not in our stars
But in ourselves that we are underlings."

—JULIUS CAESAR

I quote this text from Shakespeare not to emphasize the importance of rugged individualism, but rather to call attention to the opposite viewpoint from the one expressed here.

It is true that the rise to success and power or the fall to disaster rests in a large measure upon the individual, but in a larger measure the results of a man's life and his efforts depend upon circumstances over which he has little control, upon his friends, and the men and women with whom he is associated.

This is eminently true in the administration of school work. The superintendent, the principal, the head of department, or any administrative officer dealing with young people is dependent upon the "work-together" spirit for success. This work-together spirit has to be present at all times, both in the teaching faculty and in the students, for we must never forget that the main and important factor in education is the student.

Professor Henry Morse Stephens used to say laughingly, "Teachers, obey your students. Principals, obey your faculty." And there is a deep truth in this. The teacher, or the principal, or any administrative officer who does not learn more from his associates than he can possibly give out himself is not aware of the possibilities of his office.

Looking over the years during which I have been permitted to occupy the principalship of this High School by indulgent boards of education and excellent superintendents, I find that whatever measure of success our school has attained in the education of our young people in Alameda has been due to just this spirit of friendliness in the "work-a-day" world.

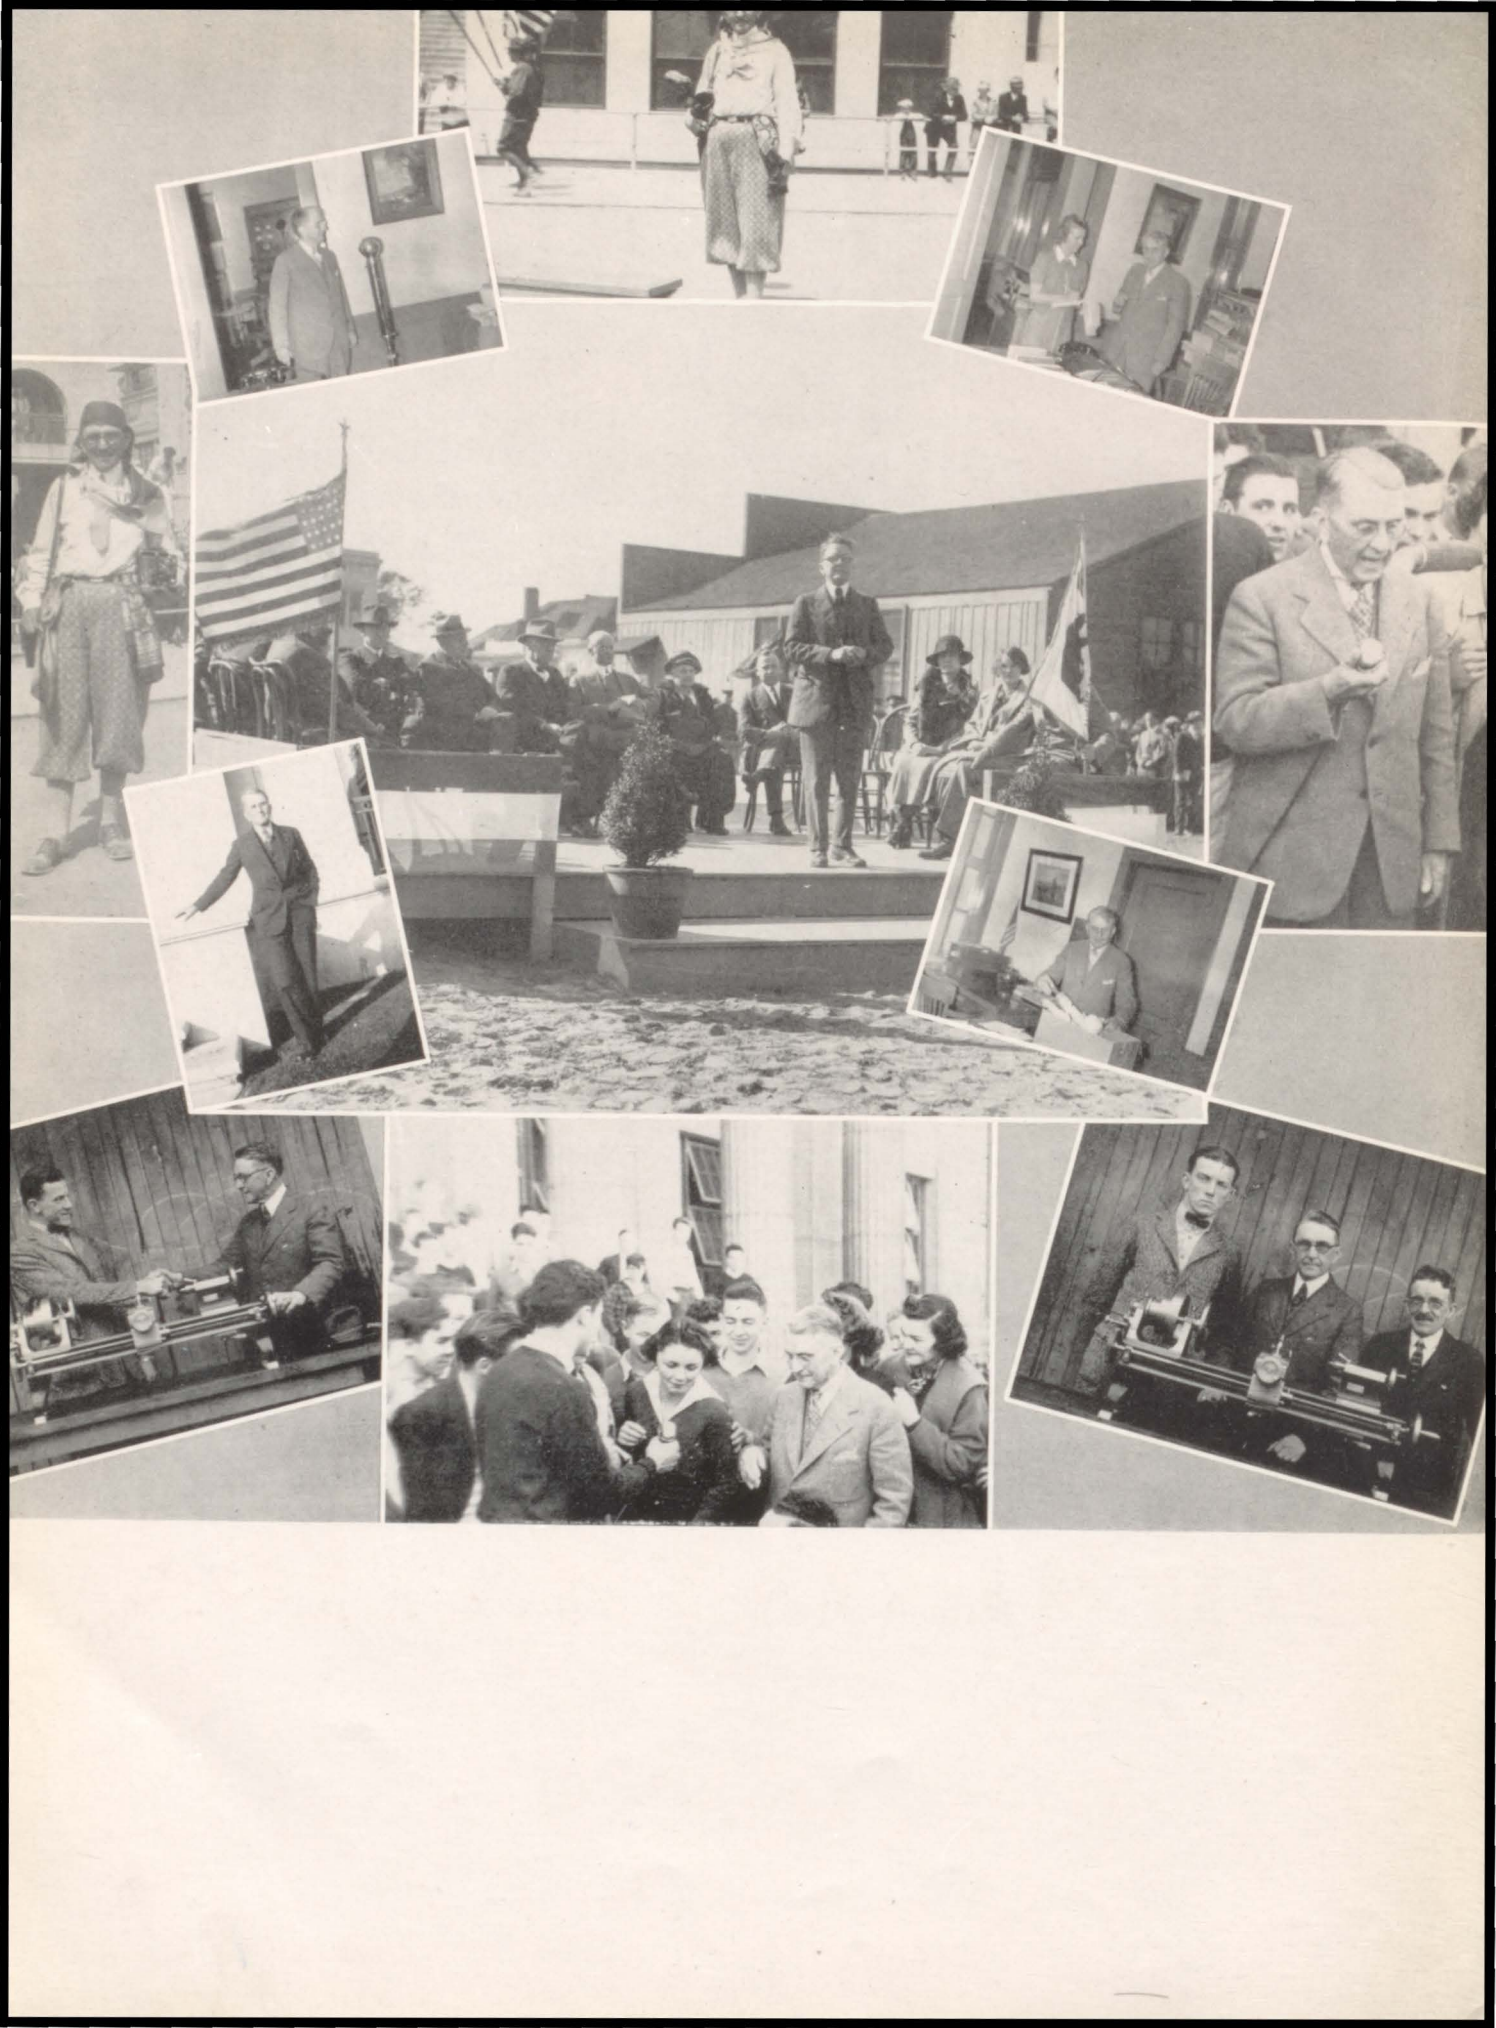
It is a rare privilege to have friends and co-workers who have the courage to criticize you, to offer suggestions, and discuss the question as to whether those suggestions are wise or not. It is even a more remarkable privilege to work with people who have initiative and who, when given a task, go forward and do more than was expected, and who coördinate their lives and their work with the work of the whole system.

And that is exactly what has been my good fortune in my years of service as principal. I have learned and know that the fault, if we fail, lies often not in our stars or in our lack of ability, but in our lack of willingness to learn from those with whom we work and for whom we work. Failure comes often from meddling too much, and from lack of confidence in those to whom is assigned a responsibility. Most men and women who are in school work are there because they love it, and loving a way of life shows the way to success. Probably the most valuable result that comes out of this way of friendship and this willingness to give and take, is the sense of proportion and the fitness of things. Many pitfalls and so-called failures would be avoided if we only learned wisdom through the subtle and often unrecognized help that comes from friendly relationships. This attitude toward life is the guiding star which ultimately must point the way to a better and more successful home-life and a better civilization.

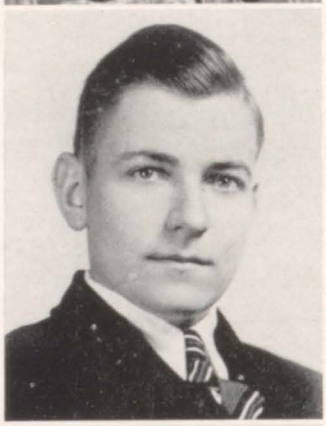
It would probably be unbecoming, if not impossible, for me to mention by name those faculty members who have contributed most to the building of the High School, but the foundation of the immediate High School life and tradition was laid by that small band of loyal teachers under the direction of Dr. A. W. Scott; and the super-structure has been reared successfully, I believe, by just that same spirit of loyalty and self-sacrifice on the part of those teachers who have followed after.

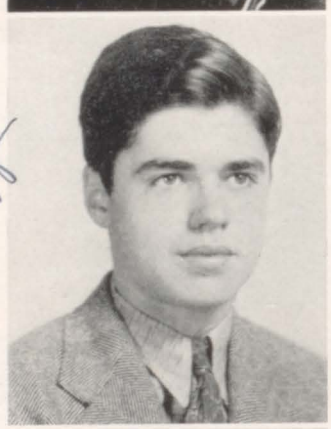
It is impossible to express my feeling of gratitude and appreciation to those splendid teachers who compose my faculty at the present time and to those who were part of it in the years gone by. Words are inadequate to convey what I really and truly feel in my heart as to how much they have meant to me in helping to build the life of our city and of our school. Likewise, it is quite impossible to express to our students, the wonderful alumni, and those present in the school today what they have meant to me, and do mean to me.

But so it is, and so runs the world away! Bless you, every one, and may the future bring to you that happiness and satisfaction which comes from work well done, and which you so richly deserve.



ADMINISTRATION





A. S. A. H. S. Fall '38

"Originality," is the key word of President Dick Knight's administration. Completing the term's successful administration were Miss Harriette Hughes, charming vice-president; Clarence T. Abbott Jr., capable recording secretary; Dick Goggin, a most efficient financial secretary; Bud Bowman, a peppy yell leader.

Not only were the standards of student meetings raised, but Secretary Abbott's minutes received school-wide acclaim for their originality. Secretary Goggin set the sale of Student Cards at a new fall term record. Yell Leader Bowman's pep and vim kept Student Body enthusiasm at a high level. The ability of President Knight and Vice-President Hughes certainly added to the list of accomplishments.

Among the outstanding personalities at Student Meetings were Father Bernard Hubbard, world-famous "Glacier Priest"; Dr. Luther Gable, radium expert; Ernie Smith, sports caster; Jimmy Triolo, famous swimmer and former Student Body president; Maxine Turner, Stanford drum-majorette and former student. Several new type programs were instituted; Red Cross Day, Fire Prevention Week program and an inspirational Armistice Day program.

All in all this term's administration will live in the annals of the High School, not so much because of precedent, but because of accomplishment!

A. S. A. H. S. Spring '39

The Spring Administration of 1939 gave a forewarning of the splendid term to follow when they secured famed Brother Leo of Saint Mary's College to appear before the Student Body.

President Clarence Abbott and the Student-Faculty Committee through untiring efforts, produced entertainment as the weeks passed on that has been unequalled in many a day.

Among the successful programs were the educational and interesting National School Assemblies, and the personal appearances of Stunt Flyer "Tex" Rankin, Rabbi Sterns, and well-known South American Adventurer Judd Boynton.

Vice-President Pat Dunbar's vice-president's meeting showed the interest and support the girls were giving to Student Body affairs. Financial Secretary Bob Holmes, through his high percentage of Student Card sales, assured the term of achieving financial success. Yell Leader Henry Fujii, through his vigorous and peppy yells, added the finishing touches to a successful administration.

Spring of 1939 was truly a "Big" term.

Acorn Staff

To quote Solomon: "Of the making of books there is no end." But in the opinion of the 1939 Acorn staff, this is one book that will never be duplicated. We are grateful to have had the opportunity to edit this particular edition, dedicated, as it is, to our own Dr. Thompson. We have tried to prepare "the best Acorn" ever, in appreciation of the Doctor's never-ceasing loyalty to the students of Alameda High School.

The editor desires to express special appreciation to Eugene Mantell and Eugene Powell for their fine help in securing necessary pictures for the book as staff photographers. But then, perhaps it is not fair to mention names, as the entire staff has coöperated nobly in this enterprise. So, with all my thanks and appreciation to the staff and especially to Dr. Vigness for their help, we give you, ladies and gentlemen, the 1939 Acorn.

THE EDITOR.

High Senior Class

Four years ago a class that was only distinguishable by its size of about 290 students, entered this school as freshmen. These freshmen, of course, are now "yours truly," the high and mighty seniors who grace our hallways. We need not prove our eligibility; but since this article is required of us, we shall proceed to do so.

If one were to look at the word "seniors", he would find that it stands for every virtue of our class. To take each letter singly, we have found the following results: S stands for students, every student could be named in connection with some activity or phase of school life; E stands for energy, which we find in many of our class members who have turned out for crew, football, basketball, track, tennis, etc.; N stands for notables, exemplified by our many talents in operettas, plays, Student Body officers, and managers of student affairs; I stands for intelligence, possessed by so many of our fellow members, who belong to honor societies such as the Star and Key and the C. S. F. (eighteen of our class are life members of the latter); O stands for originality, our middle name as has been shown by every one of our activities; R stands for riches, for our treasury is the largest since the depression as a result of our successful prom, senior play, and other presentations; and finally S stands for superiority which proves beyond doubt that we are an outstanding senior class.

Thanks for the memories Of freshmen in a strike Speeches 'neath the lights They gave the word And soon was heard 'Twas all around by night How thrilling it was!

Thanks for the memories Of Doc and all his classes Of Al White and his passes Of dansant dimes And lost book fines And all the noon hour masses How lovely it was!

Many the C's that we fretted And many the D's we regretted To teachers we're greatly indebted It was such fun And no harm done.

So thanks for the memories Of a junior who might think That he can wear a dink The painted bench The grey cement Perhaps from India ink How lively it was!

Thanks for the memories The great Hawaiian Prom And trying to be calm Of making out What it's all about And then collecting palms How lively it was!

Thanks for the memories Of Physics class with Pop Laugh, we'd never stop When Jeannie burned The whole class turned To see her on the spot How funny it was!

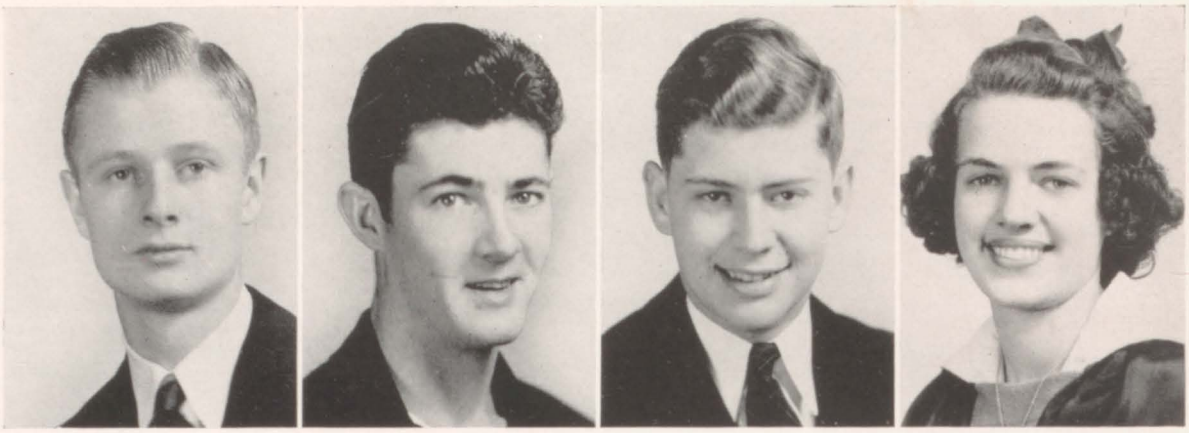
Thanks for the memories Of styles of the hair The clothes the kids did wear Of plaid sport shirts, and short full skirts The day of the Circus Fair How much fun it was!

Many the faux pas we made And many the penalties paid How often we just made our grade It was such fun. But some harm done.

So thanks for the memories Of changing classes bells The jokes (?) that Seagren tells The Senior's dough The steady beau The dances and hotels How lovely it was!

And thanks for the memories Of four years of good times The best we'll ever find And now we know We have to go So break the ties that bind As we say adieu.

EDNA TEMPLETON



Low Senior Class

OFFICERS

Spring '39		*Fall '38*
PAUL HERSEY	*President*	TED NORTON
LOWELL STYLES	*Vice-President*	MERCEDES LOWELL
VIVIANE EMMAL	*Recording Secretary*	BETTY GULLY
RENE KAST	*Financial Secretary*	MADELAINE HEMPSON

Having now entered into that high and solemn order of Seniors, we, the class of January "40", have but one regret — namely, that our days in Alameda High School are numbered.

As we look back, however, we can feel proud of our record, one which began in January '36 under the leadership of President Bob Crown. From those first hectic freshman days the ability of our class has become increasingly manifest. In addition to the usual class activities we may list among our original enterprises the first white elephant sale, the first puppet show,

the first May Day gardenia sale, and the first sale of celluloid covers for Student Cards. In our High Junior term we presented the successful, never-to-be-forgotten Virginia Prom, dedicated to our own Dr. Thompson, and in keeping with our reputation for doing things in a big way, the following term witnessed the production of the Senior Play "Merton of the Movies."

In the field of sports we have also taken a lead, our class having produced such outstanding athletes as George Harmola and Jack Bell in basketball, Mif Albright and Remo Sabatini in baseball, Larry Thomas, Walt Seaborn, Elmer Yoas and Pete Kendall in football, and George Hauck and Pierre Siead in swimming.

Though we have put one short term ahead of us, if we measure the future in terms of the past, we shall be recognized as one of the most successful and outstanding of graduating classes.

JIM CHRISTEN	*Financial Secretary*	EVERETT JOHANNES
RALPH GERNER	*Yell Leader*	HENRY WATTY

The High Junior Class has just completed its most successful year since we entered Alameda High School.

In the Low Junior term with John Kenny as president, we had a very successful Theater Party which endowed our class with much-needed funds. Later on in the term we held a raffle which was just as successful as the aforementioned Theater Party.

As High Juniors we took on that great High Junior responsibility of presenting the "Prom". Under the presidency of Jack Gilmore and with Jim Christen and Esther Calkins as co-managers, we presented the now famous "Treasure Island Prom". The gym was transformed into a replica of the "Fair" with beautiful murals drawn by Dorothy Nelson, and a miniature "Tower of the Sun". The many guests danced to the music of Johnny Griffith's Orchestra. The novel bids were designed by John Thomas and added much to the festivities. All persons concerned worked hard on the Prom and deserve much praise.

In athletics our class again took an active part and were responsible for many victories our school turned in.

We still have our Senior year to look forward to and we are confident that Alameda High will have cause to remember the Class of June '40.

KENT BOWMAN	*Recording Secretary*	BEVERLY BARSTOW
JACK GARFINKLE	*Financial Secretary*	LEONA DAY
JOHN WORCOTT	*Yell Leader*	FELIX URIBE

The class of January, 1941, has, since the last "Acorn" appeared, enjoyed two prosperous and happy terms, with President Don Hersey as "Feuhrer". In the fall of 1938, we won the proud distinction of being the first class to go 100 per cent for Student Body memberships. We also put a regular plume in our bonnet when we revived, with magnificent eclat, the traditional Sophomore Hop, making of the venture so brilliant a success that it seems to be back to stay.

Although the spring term is sometimes thought to move at a slower tempo than the fall, we have found ourselves busy with many activities not the least of which is the series of dansants, with which we are adding to the mounting fund in our treasury. This custom of raising money at noon dansants was also revived by our class, with the enthusiastic blessing of Dr. Thompson, who heartily approved of the social opportunities thus presented to all students.

Our class is small in numbers, but large in spirit. In competitive sports, in club and committee groups, in scholarship itself, we are making our firm imprint, guided by our loyal advisers, Mr. Cummings, chairman; Mrs. Lee, Mrs. Barrett, Miss Faria, Mrs. Arena, Mr. Morehead, Mr. Gilcrease and Mr. McMullin.

LESLIE COHEN	*Recording Secretary*	CAROLYN JOHNSON
DOROTHY BURNS	*Financial Secretary*	FRANK SHAW
LUELLA SHANNON	*Yell Leader*	ALFRED VAYSSIE

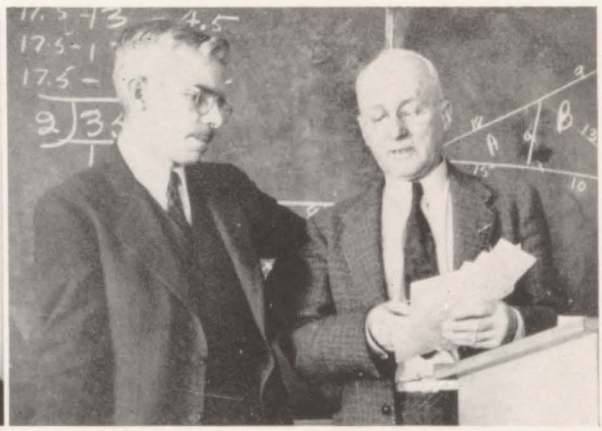
2B CLASS

The class of June '41 has reached new heights in its first two years of Alameda High activities, under the past presidents (Norma Bruns, Alden Smith, Frank Shaw and our present president, Armitte Kimbrough) and their administrations.

During the past six months we have had several successful theater parties and dansants. However, our greatest enterprise of this term is the Sophomore Hop, which is under the management of Jim Sutherland. The Hop was known as the Life-Saver Hop.

Beside our social triumphs we have also been triumphant in sports, such as the following: Swimming, basketball, tennis, football, golf, baseball and track.

We should like to express our appreciation to Doctor Thompson, whom we have had the pleasure of being under the past two years, and also like to thank the members of the faculty, especially the 2B advisors who have contributed greatly to our success.



Low Sophs

OFFICERS

Spring '39		*Fall '38*
BOB BRUNS	*President*	BILL WALKER
DOROTHY TWIST	*Vice-President*	VERA WILLEY
MURIEL MOUCHON	*Recording Secretary*	BOB BRUNS
VIRGINIA STOVEL	*Financial Secretary*	SHELDON BURTON
WALTER HUTCHINSON	*Yell Leader*	WALTER HUTCHINSON

The Low Sophomore Class understands the fine traditions of Alameda High which it must carry on. We feel that we will forge ahead to great heights in the years to come. Our class possesses a fine coöperative spirit. Knowing this, we believe that all of our business ventures will be promoted successfully.

Many members of the class excel in sports, and we enter whole-heartedly into extra-curricular activities, such as the various instructive faculty-supervised clubs of the school.

The candy sale which we held this term was exceedingly successful financially. It is this spirit of loyalty and friendship which we know will place us high in the ranks of those who have gone before us in Alameda High School.

MURIEL MOUCHON, *Recording Secretary*

Hi Frosh

OFFICERS

Spring '39		*Fall '38*
MEL SANDERSON	*President*	MEL SANDERSON
JEAN NORTON	*Vice-President*	DOROTHY CARLSON
ERNIE SCHNEIDER	*Recording Secretary*	BONNIE GATES
DICK BESOYAN	*Financial Secretary*	BETTY GORMAN
JACK HUGHETT	*Yell Leader*	EARL BERRINGTON

As our class is the largest in the school, many of our students have earned for themselves a name in school activities. Our paper, "The Hi Frosh Chatter", has been a great success, both financially and in popularity. We have attained high standing in scholarship as well as in sports. Our officers have proved to be more than satisfactory in our few class meetings.

Low Frosh

The class of January 1943, although the newest in the school, has already taken its place as part of it. Our president, Frank Ratto, has been a fine president with a great deal of ambition and class spirit. Under his leadership our class, on May 24, gave a dansant and the following night we gave a skating party. President Ratto's administration in the persons of Vice-President Gettle, Recording Secretary Unsworth, Financial Secretary Yoas and Yell Leader Beck, has given him wonderful coöperation in all of these activities.

Although we have had no Varsity men in the spring sports, we have had several outstanding men in the "B" class. Dean Hamilton, who is a pitcher, played for the "B's" in baseball and pitched several practice games for the Varsity. Bob McPherson, who swims the 100-yard free style, won, or took a place in every meet the swimming team has had. He is the A. C. A. L. champ in the "B" class.

With this start we are looking forward to a successful high school career.

Bob Yoas

CHAPTER 240 CALIFORNIA SCHOLARSHIP FEDERATION
MR. REGINALD F. SAUNDERS, ADVISOR

OFFICERS

Fall Term 1938		*Spring Term 1939*
NEIL IM-OBERSTEG	*President*	MARTIN CARRIE
PEGGY ROBSON	*Vice-President*	BERNICE BALL
ROBERT HAYES	*Secretary*	NEIL FERGUSON
MARTIN CARRIE	*Treasurer*	JOHN BENONE
MARGE WADDINGTON	*Publicity Manager*	MARGE WADDINGTON

At no time since the spring of 1935 when Alameda's CSF chapter acted as hosts of the Bay Section convention, has the honor society been so busy as this year. This time Chapter 240 has had the honor of being hosts to all the chapters of San Joaquin Valley, Salinas Valley and the Bay Region for the annual Students' Conference of Central California. The event, although scheduled for Alameda High School, was changed to Treasure Island by popular demand from other schools. Bob Hayes, our state chairman, very ably planned and organized several committees for the purpose

of solving many problems that confronted our chapter—such as getting hotel accommodations for two nights, transportation to the Fair for those delegates who came by train, arrange for entertainment and dance in our gym, for our out-of-town guests for Friday night, contact Fair officials for a suitable building which would hold 1000 persons, contact speakers and entertainers for the Saturday morning program, find a way to get programs printed and badges made with little or no costs if possible, get a substitute for the regular annual luncheon, etc., etc. Another state officer, Marjorie Waddington, publicity manager, was responsible for sending out three sets of communications to 103 high schools and answering much of the correspondence that had to be done later.

Chapter 240 can boast of two outstanding affairs of the year, a Halloween Party at the home of Tom Merrick last fall, and a George Washington Birthday Party at the home of Mr. Reginald F. Saunders, our adviser, this spring. Oakland Technical High School CSF chapter extended a very cordial invitation to members of our chapter to attend a party and dance at their school in April.

Marylyn De Witz and Ted Norton, two CSF members, were chosen to attend the National Red Cross Convention in Washington, D. C., and we are glad that such a wonderful opportunity was afforded them. In the Oriental Relations Forum contest, Ralph Bardoff won "Honorable Mention".

Chapter 240. California Scholarship Federation, desires to take this occasion to express its gratitude to Dr. George C. Thompson for the excellent example he has constantly set before us as a "Scholar and a Gentleman". We wish for you, Dr. Thompson, every good thing in the years to come.

The German Club

OFFICERS

Fall '38		*Spring '39*
BARBARA PADEL	*President*	JEROME BABCOCK
HELEN MACKENSIE	*Vice-President*	HELEN MACKENSIE
FRANCES WEESNER	*Recording Secretary*	DON RAYMENT
FRANCES WEESNER	*Financial Secretary*	DON RAYMENT

The German Club meets every other week in the German room. Dues are very small in comparison to the activities the club affords. This past year under the able leadership of our presidents, Barbara Padel and Jerome Babcock, we have planned and held a sale of football emblems, a Christmas party, a skating party and an excursion to the Exposition.

Our emblems were the yellow and white hornet pom-poms which were very popular. The Christmas party was held in the cafeteria with refreshments and presents. The skating party and the trip to the Fair were very successful.

Next year we hope to have even more activities.

DON RAYMENT

The Spanish Club

Fall '38	OFFICERS	*Spring '39*
BOB HAYES	*President*	FELIX URIBE
JULIA NAILLON	*Vice-President*	JULIA NAILLON
FELIX URIBE	*Secretary*	DOROTHY BURNS
NEIL FERGUSON	*Treasurer*	WILDA HOLMAN
MISS ISABEL VENARD		*Adviser*

The members of the Spanish Club wish to take this opportunity to express their thanks to the officers for their efforts in making the meetings of this year a success.

The meetings, both those of the spring and fall terms, have been enjoyed by all who attended because of their interesting and varied character.

At one of the spring term's meetings a part of the entertainment which met with general acclaim was the traditional Mexican hat dance, performed in costume by Juliette Perez and Felix Uribe. At a later meeting a sparkling Spanish comedy was well received.

Great interest has been shown also this term in the financial standing of the club, with Wilda Holman acting as the enthusiastic manager of several money-making projects. The results have left the treasury in a prosperous condition.

Once more, congratulations from the Spanish Club members to this year's officers, and best wishes to those who will serve next year.

The Latin Club

OFFICERS

SALLY ALLENDER	*Recording Secretary*	MARYLYN DE WITZ
JEAN WALLACE	*Financial Secretary*	MAUREEN CRICHTON
	Editor	BETTY FAULKNER
	Assistant Editor	JEAN WALLACE

Le Cercle Francais is an organization composed of students who are interested in French. At the monthly meetings we discuss methods for raising money. These methods include theater parties and sales.

The membership fee is reasonable, only 25 cents a semester, and it includes the right to attend the meetings. Entertainment and refreshments follow the business of the day and the afternoon is enjoyed by all.

Our organization is one of the most prosperous in the school, a fact of which we are very proud.

BETTY FAULKNER, *Editor*

Boys' Block "A" Society

Under the leadership of Presidents John Van Sicklen and Eugene Judge, respectively, the Block "A" Society has enjoyed another prosperous year. The society conducted two very successful skating parties, and a banquet was given in the cafeteria for the new members; another one will be given this June.

The annual Thanksgiving baskets were distributed again last fall and all the boys worked hard to make it a happy Thanksgiving for everybody.

The society is expecting many new members at the end of this term to bolster their already bulging ranks.

Girls' Block "A" Society

Fall '38	OFFICERS	*Spring '39*
NAOMI CLOUGH	*President*	BERNICE BALL
FRANCES WEESNER	*Vice-President*	JEAN RAUBINGER
JEAN RAUBINGER	*Secretary-Treasurer*	BETTY STROUSS
DOROTHY GLIDDEN	*Sergeant-at-Arms*	DOROTHY GLIDDEN

The Girls' Block "A" Society has grown since its organization, not only in membership, but also in the recognition and respect of the Student Body. The society has assumed a much greater responsibility this past year in conducting the after-school sports program. Each active member has taken complete charge of an activity, subject to the advice of a faculty member. The result has been that our extra curricular program compares very favorably with that of any school in the Federation of Girls' Athletic Associations.

Hours of work went into making the big pom-pons that made the girls' rooting section at the football games more colorful. During the spring term a joint roller-skating party was held with the Boys' Block "A" Society. The proceeds from all our projects help us to do what we can for the benefit of our school gymnasium.

EFFIE STEPHENSON

HARRIETTE CRABBE

DOROTHY LUCE

MADELINE HEMPSON

BETTY PHILPOTT

Girls' Association

Every girl in Alameda High School is a member of the Girls' Association whether she pays her dues or not. The dues go toward furthering girls' activities, to charities, entertainment, and to the Freshman Reception. This term, the Freshman Reception was well planned and carried out by its manager, Bernice Ball.

Under the leadership of President Dorothy Luce, this term has been a very successful one. The idea of initiation of the Freshman girls was conceived by President Luce and was carried out very well, with the Freshmen wearing orange and red bows and calling Seniors "Miss".

The entertainment at the meetings has been interesting and varied. In the combined meeting with the Student Body, the College of Pacific's A Cappella Choir performed.

30. Are you a hero-worshipper?	80	169
31. Do you prefer a large college to a small one?	103	133

ATHLETICS

Baseball

The Alameda High School Baseball Team finished in second position in the 1939 Alameda County Athletic League when they lost to the Hayward Varsity Team 2-1 in a closely-fought game.

It was necessary to fill in several vacancies, left by graduates. This was ably done by Coach Carl H. Young, who, after nine years of football and basketball coaching, took over the baseball squad.

Through the efforts of Ed Van Leiden and Leo Thomas, the Hornet team won several games, including San Jose State and Stanford Frosh, and lost some close ones.

Playing a crucial game in the final A. C. A. L., Alameda lost the co-championship to Hayward by a close score of 2-1. With the excellent support from his teammates, Leo Thomas allowed but five hits and two runs for the opponents.

Several seniors will be lost for next year, the veteran Ray Perry, shortstop; Larry Thomas and Mif Albright, catchers; Remo Sabatini, right field, and Milt Holm, second base. Remaining with the team for next year will be Leo Thomas and Ed Van Leiden, pitchers; Frank Pingree, first base; Chuck Wuesthoff, second base; Ray Antonelli, third base; Fred May and Clarence Carvin, fielders, and several utility men.

Alameda Track 1939

The Alameda track team of 1939 was the best since the North Coast champions of 1935. Consistent point winners were: "Slats" Micheli, Wayne Girdner, Jerome Sabatini, Jim Scott, Bill Summerfield, Herb Cleaves, Bill Olivera and Kaz Yoshioka.

In the A. C. A. L. meet at Berkeley, Alameda took fourth place, but qualified Wayne Girdner, Sabatini, Micheli and Scott to represent the school in the state meet at Hollister.

Coach Jolley predicts a well-balanced team for next year and a possibility for the A. C. A. L. title.

MEDA

Football

Alameda scored on Berkeley for the first time in 16 years and beat Piedmont after 12 years. This fact alone will set the football team of 1938 down in the athletic records of A. H. S. for all time.

This year the team was fortunate enough to have for its coach Bob Carlton, who did a fine piece of work. Coach Carlton spent most of his efforts this year in training the younger fellows on the team who are the potential stars for 1939.

All in all the Varsity team this year showed the fight, fire and good sportsmanship that is common among the men of Alameda High. John Van Sicklen was the captain, and Bob Gannon, Eugene Judge, Tom Gay and Larry Thomas were our outstanding players.

The following are the scores for Alameda's A. C. A. L. season.

ALAMEDA	0	HAYWARD	0
ALAMEDA	6	BERKELEY	18

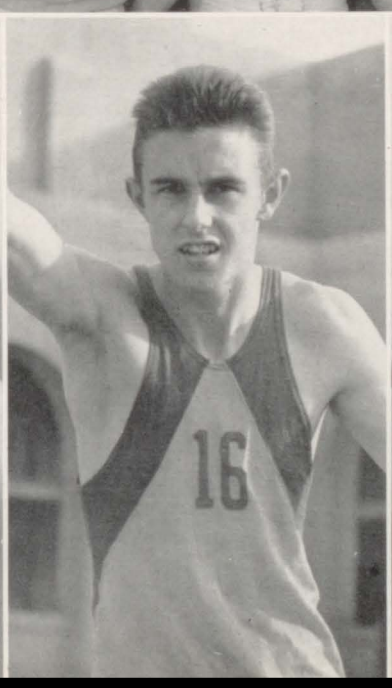
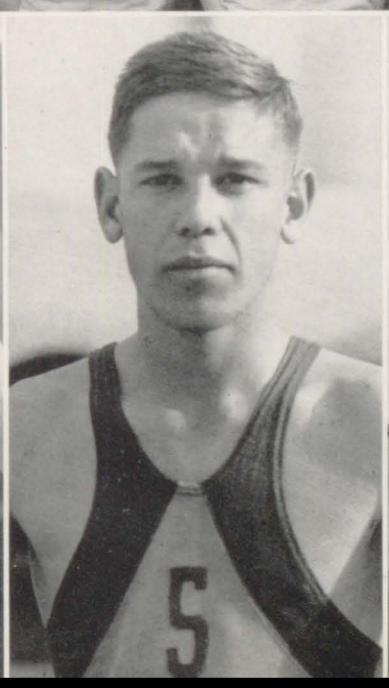
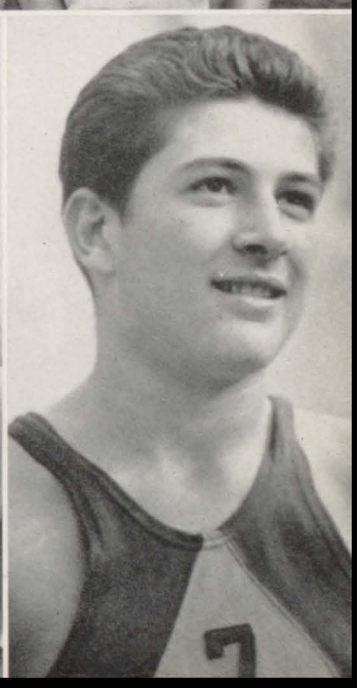
Basketball

Much enthusiasm was shown by the students over basketball. The turnout for basketball was so great that many could not be accommodated. Coach Gilcrease gave preference to those who would have a few more seasons on the team. This plan should give us a team near the top in a few years. Seniors who were used and played well were Harmola, Bell, McNeil and Christenson. Against Albany, Harmola broke the Southern California Conference record, with a total of 36 points. Harmola broke the A. C. A. L. League record with a total of 121 points for the season.

The 130-pound basketball team showed a great deal of promise this year. It consisted of Thomas, Powell, Mills, Presco and Parshall. It is expected some of these boys will soon be playing Varsity.







Golf

This year Alameda High School has again produced another championship golf team. The Hornet squad won six of its practice games, and with one game left, is in a tie for first place in the A. C. A. L. The members of the 1939 Varsity are Erie Honeyman, Bill Phelan, Alden Smith, Bob Stovel, Jack Kappeler, Fred Long, Bob Price, Wyatt Parshall, Rodney Mastick and Armitte Kimbrough. With seven members of the Varsity returning, Coach Gilcrease has hopes for establishing the Alameda High School team of 1940 as the outstanding high school team on the Pacific Coast.

PRACTICE SCHEDULE

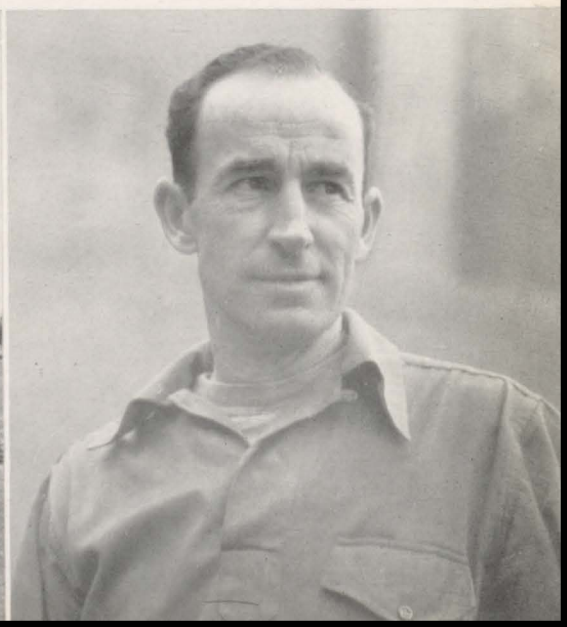
ALAMEDA 9½	MONTEREY	8½

A.C.A.L. SCHEDULE

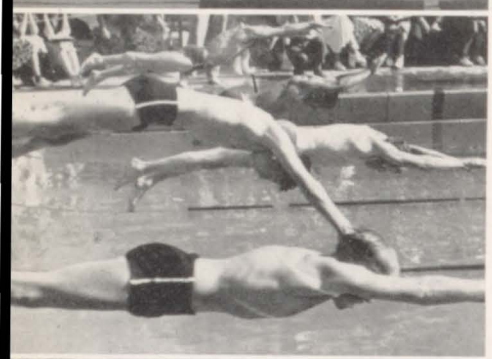
ALAMEDA 1½	PIEDMONT	7½
ALAMEDA 8	BERKELEY	1
ALAMEDA 9	RICHMOND	0
ALAMEDA 9	PIEDMONT	0
ALAMEDA 7	BERKELEY	2

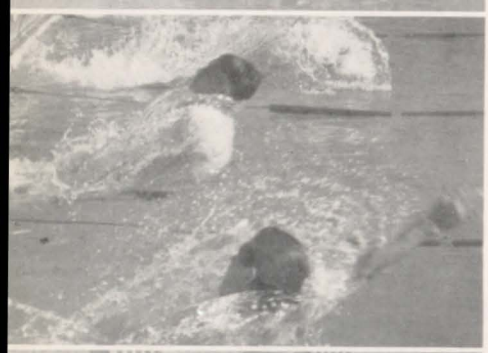


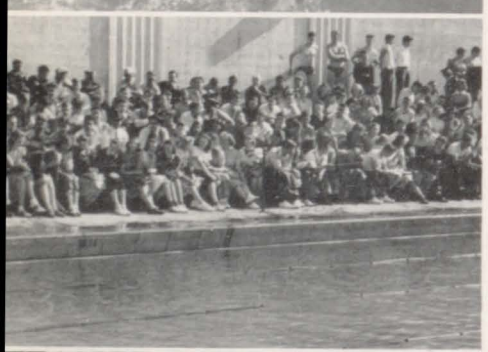
Crew

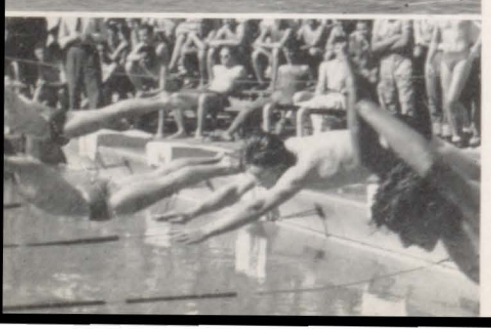
Once again the Alameda High School crew has proven its invincibility by retaining the Northern California Championship title for the fourth consecutive year. This year a Berkeley crew competed for the first time along with the Oakland, Sacramento, Fremont, Oakland Tech, and Alameda crews for the state title. In the initial race of the season Alameda easily defeated Berkeley by 15 lengths of open water. The following week-end the crew traveled to Sacramento. After their regatta on the river the schools met on the Estuary for the final race of the season. Allowing their closest rival, Sacramento, an early lead, the Alameda crew came from behind to defeat all five contenders in a "repeat performance".

Six members of the crew will graduate this semester. Thus, Alameda is looking forward to a difficult season in defense of its title next year. The crew consisted of Felton Maillot, stroke; Jim Moore, Dave Bridges, Bob Gentry; James Farley, captain; Elbert Swensen, Walter von Tagen, John Goerl; Lockredge Key, coxswain; Pertti Lindfors, substitute, and "Zeke" Westbrook, substitute.









Swimming

Our swimming team was very successful in the practice season. We lost only one meet and that was to the strong Palo Alto squad. The loss of Pierre Siead, our star breaststroker, was greatly felt in the A. C. A. L. meet.

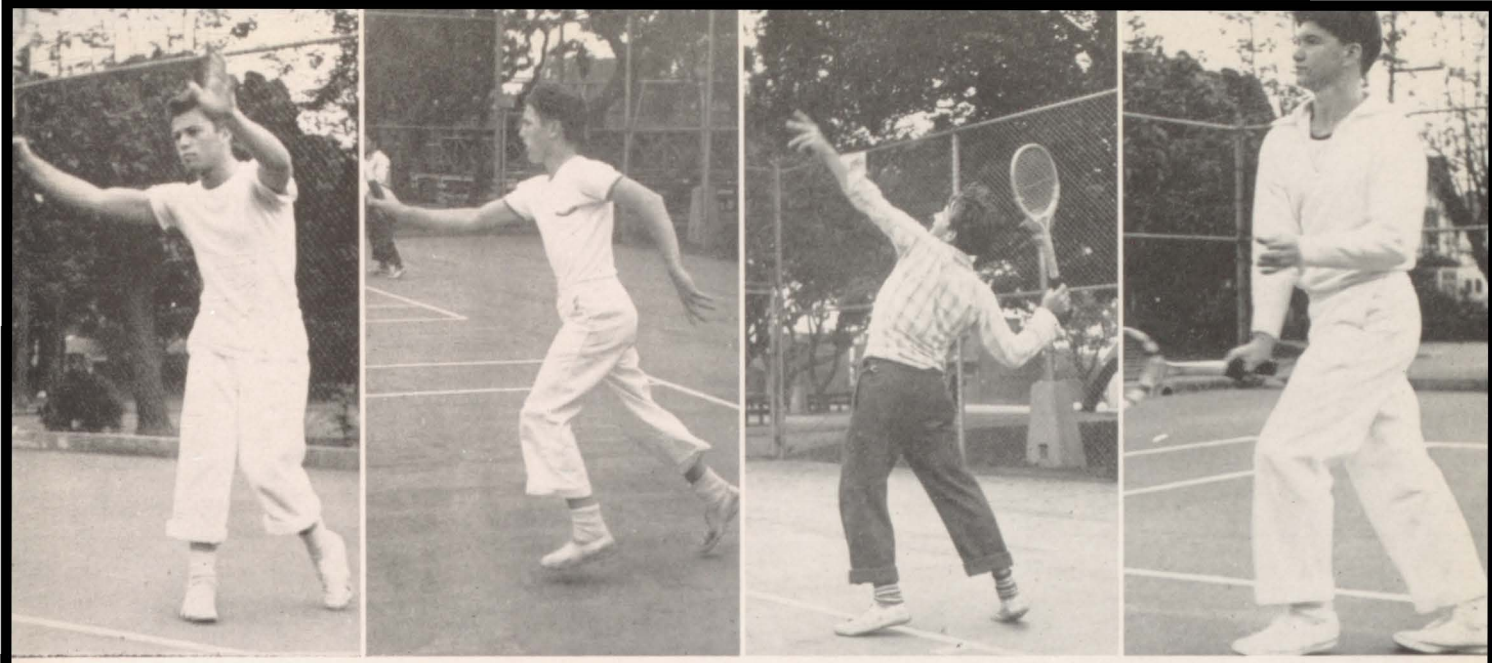
In the A. C. A. L. tryouts Alan Weeden broke the record for the 100-yard backstroke, formerly held by his brother. His time was 1:06.6. He beat his brother's time by two seconds. The four-man relay team composed of Schmidt, Unthank, Von Berkefeldt and Hauk, broke the A. C. A. L. record of 1:50.2. Their time was 1:48.1.

The scores of the practice meets were:

ALAMEDA	42	SEQUOIA	24
ALAMEDA	41	BERKELEY	25
ALAMEDA	25	PALO ALTO	41
ALAMEDA	42	HAYWARD	24
ALAMEDA	45	RICHMOND	21

The results of the A. C. A. L.:

Berkeley	Alameda	Richmond
51½	46	21
Piedmont		Hayward
19½		10

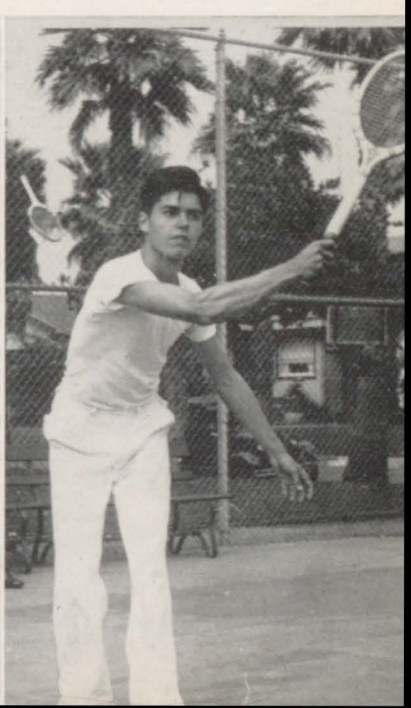


Tennis

The Alameda High Tennis Team has won five and lost five matches this year. Last year the team won the A.C.A.L. Championship, but this year, due to injuries and hard luck, they did not do so well. The members of the tennis team are:

Dick Goggin
Larry Campbell
Lonnie Mills
Eugene Valdini
Dean Wood
Bud Codiga
Edward Johnstone
Bill Korn
Hobert Fellows

All but Dick Goggin and Larry Campbell will return next year. Likely new prospects are Jack Syme, Conway Catton and Glen Adams.



1. Mud Pies a la DuMont. 2. Gardener Louise. 3. Old Rockin' Chair's Got Vera. 4. Tooda Lumma Addison. 5. Hedy Burnside. 6. L. Camicia. 7. Guess Who. 8. Tomboy Maureen. 9. Hi-Yo Yolanda. 10. Mermaid Nevart. 11. Hey Schacht—This Is a Girls' Page. 12. Bernice and Claude. 13. Three of a Kind. 14. Barbara B., Plus Rocket Ship. 15. Holdin' the Chair Up. 16. Isn't She Hardy? 17. The G. A. A. is one of the largest and most active organizations in the Student Body. There are about 200 members, but with the new system that is being worked out this term, we feel sure that this number will increase. The new system allows only the people with sixth-period gym to turn out for the following sports: Baseball, hockey, speedball, volleyball, badminton and golf. In order to have gym sixth period, a girl must be an "A" in physical education, and turn out for sports. Sports for which anyone can turn out after school are: Crew, canoeing, tennis tournament, archery, golf and swimming.

Participating in play days at other schools is something to which every girl looks forward. This year we went to San Francisco State, Berkeley, and Richmond.

Last term we brought the term's activities to a close with a Hawaiian Spread, and opened the spring term with a Freshman welcome.

R. O. T. C.

The Alameda R. O. T. C. battalion has just completed what may be called its most successful year. We feel that Major L. J. Bowler, our P. M. S. & T., has made this unit one of the best developed in the bay area. Sgt. M. W. Boyer, the military instructor, has one of the best rifle teams we have had.

It is with deep regret that we are compelled to announce on this page the retirement of our commanding officer, Dr. George C. Thompson. The deep interest he has always taken in this command, and the encouragement he has always given, is in a very large measure the reason for its unusual success.

The annual competition was something to be remembered by the school, as color and action were plentiful. The coveted streamer for the honor company went to Company "B".

The Federal inspection was probably the most successful our unit has yet enjoyed. The inspecting officer, Major Winters, was greatly impressed by our calisthenics done to music which is usually attempted only by regular army troops.

The Military Ball was attended by officers from every R. O. T. C. unit in the bay area, and created a feeling of fellowship among the different units of R. O. T. C. Much of the success of the ball was due to Mr. Earl Shriber, our faculty advisor.

Sword and Shield

The Sword and Shield Society is composed of past and present officers of the Alameda R. O. T. C. unit. The society manages the Military Ball, which is an inter-city affair this year. The advertising manager, Cadet Lt. Col. Bryant, and the manager, Cadet Captain Marymont, have made numerous trips to the different R. O. T. C. around the bay, in the hope that this ball will increase the ties between schools.

The faculty advisor, Mr. Earl Shriber, has done more than his share of work to make the ball the success it was, and the society feels indebted to him.

Our retiring honorary president, Dr. Thompson, will be missed by the society, as we feel that his guiding hand has led us through many difficulties.

"AIRPORT AND INDUSTRIAL CENTER . . . PORT OF CALL . . . AND HAVEN OF SHIPS"

Alameda, a community of approximately 40,000 population, has won international recognition within recent months through the famous Pan-American "Clipper Ships" based in this city.

The new West Coast Naval Air Station to be constructed by the Federal Government on a 2000-acre site in West Alameda, at a cost of $15,000,000, creating a $5,000,000 annual payroll, brings additional prestige to the city, with the assurance of increased business activity to follow.

These factors, together with the numerous nationally-known industrial and commercial concerns already established here, including the extensive Encinal Terminals on our waterfront, with every modern convenience for ocean commerce, concede to Alameda a future of progress and achievement far in excess of any accomplishment thus far in its history.

Municipal affairs are economically administered through a city manager-council form of government. Tax rates are constantly reduced through decreased rates and assessed valuations.

With its strategic location on San Francisco Bay; unexcelled climatic conditions, excellent labor facilities, every recreational advantage, and the most highly-desirable home and school conditions, Alameda presents herself as the "City of Opportunity".

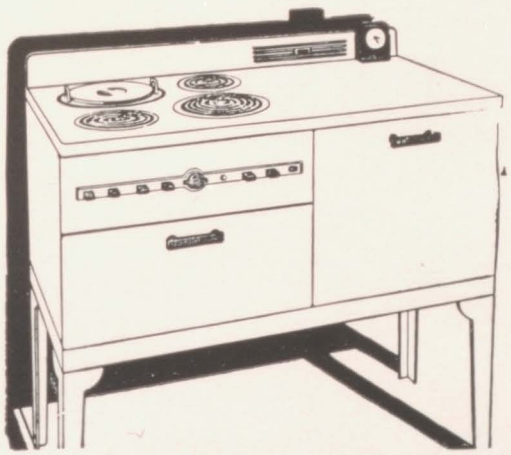
BE MODERN

COOK WITH ELECTRICITY



It's Faster,

Cleaner, More

Economical

Home makers of tomorrow will no more think of cooking the old-fashioned way than you would use oil lamps for illumination.

Keep in step with the times by giving your home, too, the advantages of an electric range! Enjoy its glorious cleanliness, its freedom from fumes and smoke. Have more time for enjoying yourself. Serve better meals with less effort.

See any Alameda dealer or Bureau of Electricity today about a late model electric range!

EASY MONTHLY PAYMENTS—YOUR RANGE WIRED IN FREE!
